Dreams, come and go it seems
Mostly they just slip away
Sometimes, much to your surprise
Some may even come your way

Refrain:

Holding on to dreams
Is harder than it seems

(Well I just know) There's nothing like the way you feel
When dreams turn into something that is real
And you know what I mean
So hold on to your dreams

Time, I have come to find
Has a way of changing things
Dreams, sometimes left behind
May come with what tomorrow brings

Refrain:

Holding on to dreams
Is harder than it seems

(But just remember) No one has the right to take
The hopes and dreams and wishes that you make
And you know what I mean
So hold on to your dreams

Refrain:

Holding on to dreams
Is harder than it seems

(But just remember) In the end you'll have to live
With all the things you dreamed but never did
It's all left up to you
To make your dreams come true
And you know what I mean
So hold on to your dreams
